Open Records Decision No. 41

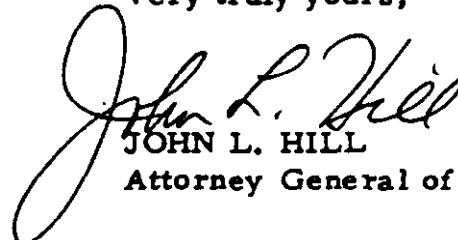

Re: List of personnel and  
exact salaries

Dear Mr. Turner:

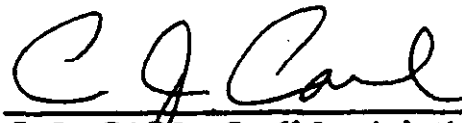

The question presented by your decision request is whether the Menard Public Schools are obligated under the Texas Open Records Act, V. T. C. S., Article 6252-17a, (Supp. 1974), to provide information concerning the actual salaries of its employees to a member of the public.

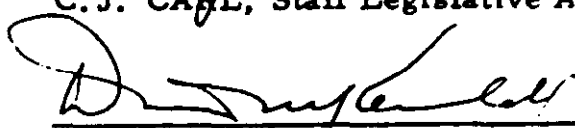

In our opinion, Open Records Decision No. 14 (1974) answers the question. There we held that the annual salary of the employees of a hospital district was public information [Section 6(a)(2)], and did not fall within the exemption for personnel records which would constitute a clearly unwarranted invasion of personal privacy. Article 6252-17a, Sec. 3(a)(2).

Very truly yours,

  
JOHN L. HILL  
Attorney General of Texas
